

ABSEIL ACCESS LTD

Reference Project

Industrial Coatings

Location: Allied Cement, Holcim Plant,
Tauranga

Date: 2002

Client: Holcim Cement

Abseil Access Ltd were chosen for the full refurbishment of Allied cement plant, tauranga.

The steel silo required corrosion repairs and a full topcoat change of colour. The contract also included re application of the Allied sign and a new Holcim super graphic.

The whole project was completed without using scaffolding which would have restricted use of the plant. Altex paints supplied the epoxy high build and Urethane topcoats.
