

HEALTH & SAFETY POLICY

Abseil Access Ltd and its management team are committed to providing and maintaining a safe and healthy working environment, by reducing risk levels, so far as is reasonably practicable, for all employees, clients, contractors and others concerned.

It is our Health and Safety Policy, to:

- Meet our obligations under the Health and Safety at Work Act 2015 and other relevant Legislation, Regulations, Codes of Practice and Guidelines,
- Identify health and safety risks and manage these through the implementation of effective controls,
- Provide training and supervision to enable all employees to perform their duties in a safe manner,
- Encourage the positive engagement, participation and empowerment of all people to raise health and safety performance by taking responsibility,
- Develop and maintain a positive safety culture,
- to work within our Standard Operating Procedures and to maintain safe working practices at all times,
- Accurately report, record and learn from all incidents & near misses,
- Establish & monitor health & safety objectives for the business,
- Promote a system of continuous improvement, including the annual review of policies and procedures with the involvement of staff representatives

This policy will be reviewed every year and updated as appropriate.

M Wilson, Managing Director, Abseil Access Ltd. April 2020
